

downfall.

Your health needs to be taken care of at this time. You may develop diseases related to bile and wine. The danger of venereal diseases also stands there.

(/)

Ketu is transiting on your 6th House Leo

This brings mostly troublesome time. It may be predicted that your money will be wasted in unnecessary expenditures. You are strongly advised to avoid borrowing money during this phase. Take good care of your health as your stomach may give you trouble. You may also feel mentally drained and sick. Don't enter any argument with your spouse during this time as it may lead into the leaving of the spouse. Also take good care of your other relations
